

# Technical data sheet

## Product features

### Salamander digital 3 heating elements movable upper part 400 V

<b>Model</b>	<b>SAP Code</b>	00008950
--------------	-----------------	----------

- Removable bottom shelf: Yes
- Continuously sliding upper part of the device with heating elements: Yes
- Automatic temperature control: Yes
- Stainless steel holder included for easy wall mounting: Yes
- Automatic switch off at the end of the cycle and acoustic signaling: Yes
- HOLD function for temperature maintenance: Yes
- Number of heating elements: 3 heating elements, 2 heating options

<b>SAP Code</b>	00008950	<b>Power electric [kW]</b>	4.500
<b>Net Width [mm]</b>	570	<b>Loading</b>	400 V / 3N - 50 Hz
<b>Net Depth [mm]</b>	580	<b>Removable bottom shelf</b>	Yes
<b>Net Height [mm]</b>	520	<b>Number of heating elements</b>	3 heating elements, 2 heating options
<b>Net Weight [kg]</b>	61.00

## Product benefits

### Salamander digital 3 heating elements movable upper part 400 V

<b>Model</b>	<b>SAP Code</b>	00008950
--------------	-----------------	----------

- 1 Vermiculite heating segment cover**  
immediate barrier-free penetration of heat and light from the heating segments  
very durable material
  - intensive heat treatment of food
- 2 Special heating elements,**  
instant thermal run-up
  - salamander does not need to be continuously switched on, food is cooked in real time, no waste heat is generated in the kitchen
- 3 Sliding system**  
a sliding system enabling a smooth shift of the lift and setting the required distance from the food
  - convenient control without the need to exert force to adjust the distance needed to cook the food
- 4 Individual zone control**  
control elements enabling switching on individual zones of the device  
saves energy and extends its life
  - energy saving
  - allows for the preparation of different sized foods
- 5 Stainless steel construction**  
construction material is high quality stainless steel  
ensuring long life  
high hygiene standard
  - safe food preparation; long service life; easy cleaning
- 6 Wall mount**  
construction allowing hanging on a wall or structure
  - space saving in the kitchen; easy access
- 7 Automatic shutdown**  
automatic shutdown at the end of the set cycle  
acoustic signal
  - Prevents food spoilage

Technical parameters

## Salamander digital 3 heating elements movable upper part 400 V

Model	SAP Code
	00008950

**1. SAP Code:**

00008950

**2. Net Width [mm]:**

570

**3. Net Depth [mm]:**

580

**4. Net Height [mm]:**

520

**5. Net Weight [kg]:**

61.00

**6. Gross Width [mm]:**

680

**7. Gross depth [mm]:**

650

**8. Gross Height [mm]:**

720

**9. Gross Weight [kg]:**

65.00

**10. Device type:**

Electric unit

**11. Material:**

Stainless steel

**12. Device heating type:**

Infrared emitter

**13. Power electric [kW]:**

4.500

**14. Loading:**

400 V / 3N - 50 Hz

**15. Maximum device temperature [°C]:**

230

**16. Control type:**

Digital

**17. GN / EN size in device:**

GN 1/1

**18. Removable bottom shelf:**

Yes

**19. Continuously sliding upper part of the device with heating elements:**

Yes

**20. Automatic temperature control:**

Yes

**21. Stainless steel holder included for easy wall mounting:**

Yes

**22. Automatic switch off at the end of the cycle and acoustic signaling:**

Yes

**23. HOLD function for temperature maintenance:**

Yes

**24. Number of heating elements:**

3 heating elements, 2 heating options  
– 3 topné elementy, 2 varianty ohřevu
